Hearing Health Meets Hearing Support

Audiology & HLAA-Washington: Partners in whole-person hearing care

Extend Patient Care Beyond the Clinic

HLAA-WA is more than an information and advocacy organization — we are a partner in helping your patients navigate the full experience of hearing loss. By connecting your clinical care with our lived experience, peer encouragement, and trusted community resources, HLAA-WA can greatly help your patients feel supported, informed, and engaged throughout their hearing loss journey.
